

SYRACUSE

Preparing leaders in supply chain since 1919

Learn to manage your supply chain for strategic advantage in a thriving community of supply chain scholars, practitioners, and professionally active students. The Whitman School of Management at Syracuse University is celebrated for its—

- > comprehensive BS, MBA and PhD programs in supply chain
- > pathbreaking faculty advancing supply chain knowledge and practice
- > membership in the SAP University Alliance, using commercial ERP solutions to give students a command of integrated supply chain processes
- > annual Enterprise Symposium, assessing business solutions at the forefront of industry
- > prestigious Salzberg Medallion, recognizing innovators in logistics and supply chain since 1949
