

As a follow-up to Michael's comments about future job positions with CSX, I thought I would mention to you that there are a variety of Management Trainee positions posted currently on the www.csx.com web site. There are the following groups and number of positions available in our Mgmt Development Program-

2 Commercial Trainees (could be sales or marketing)

20 Trainmaster trainees

4 Finance Mgmt Trainees

In addition, while they may be better suited for the Engineering school, there are the following open as well:

2 Bridge Management Trainees

2 Communications & Signals Mgmt Trainees

15 Asst. Roadmaster Trainees

6 Mechanical Supervisor Trainees

All are entry level management positions.
