

Distribution Manager and Director positions in WI, OH, and NY

I am working with a couple industry leaders in the Consumer Products/Retail industries that are looking for 2 Distribution Managers in Milwaukee, WI & Newburgh, NY areas and a Director of Operations for a .com Distribution Center in the Dayton, Cinn, OH area.

Primary Responsibilities:

- * Assures efficient and timely processing of merchandise and anticipates and plans accordingly.
- * Manages workflow of the Distribution Center operation to meet planned units per hour, cost per unit, level of service and accuracy standards.
- * Works with other departments and divisions to resolve problems and ensure efficient service.
- * Maintains safety, housekeeping, and maintenance standards.
- * Trains, develops, and evaluates executives and associates.
- * Maintains effective communication to ensure productivity, morale and performance of executives and associates.
- * Administers policies and procedures.
- * Develops and administers short and long term operating budgets in conjunction with other distribution and corporate division staff.
- * Effectively manages payroll and expenses.
- * Develops and maintains accuracy standards to ensure unit inventory integrity.

Requirements:

- * BA/BS degree
- * 5-10 years as an Assistant General Manager or General Manager of a large (500K-1 M Sqft Distribution Center)
- * Responsible for multiple levels of Management
- * Great leadership, computer, and social skills
- * .com and or Catalogue distribution experience needed for 1 of the positions.

Relocation paid, Great Salary, Bonus, and Stock options
