

Honda of America Mfg., Inc. (HAM) in Marysville and Anna, OH is looking to fill several co-op/intern positions for the **Spring Semester 2009 Co-op/Intern Session!**

We're looking to fill positions in multiple areas of Engineering, IS/IT, HR, Safety/IH, Environmental, and Purchasing/Supply Chain! We will try to post positions to your websites as well, but I just wanted you to be aware that many of our positions are available so you can communicate to your students.

All interested candidates are asked to submit an application on-line at www.ohio.honda.apply2jobs.com.

For a quick reference to our website and a look at the available openings for the Spring Semester/Winter Quarter 2009 Openings please click this link:

<http://www.ohio.honda.apply2jobs.com/index.cfm?fuseaction=mExternal.searchJobs>

We look forward to hearing from your students, please be sure if you have any interested candidates apply on-line as soon as possible.
