

Please let your juniors in Supply Chain Management know about this opportunity,

Overview of Liz Claiborne Inc.

Liz Claiborne Inc designs and markets an extensive range of branded women's and men's apparel, accessories and fragrance products. Our diverse portfolio of quality brands- available domestically and internationally via retail and wholesale channels- consistently meet the widest range of consumers' fashion needs, from classic to contemporary, active to relaxed and denim to street wear.

To build on its standing as one of America's leading apparel companies, Liz Claiborne has expanded into many new markets and businesses. Each division represents the best in fashion, quality and value, and delivers products that reflect a true understanding of consumers' needs.

The Company's principal facilities are located in the New York area, with the executive offices, design, sales, marketing and merchandising in New York City, and production, administration, distribution and finance in New Jersey.

Overview of the i experience internship program

Are you passionate about product development? Mad about manufacturing and screaming for sourcing? Then have we got an internship opportunity for you! Liz Claiborne Inc. is currently seeking students for our supply chain internship program.

The 2008 paid program, the i experience, is designed to identify, develop and hire top entry level talent. Throughout the full-time project based program, participants work closely with their managers to understand and impact their specific functions and divisions. Additionally, interns are exposed to various areas of the company through weekly interaction with key executives and networking events. The 10 week program will begin on June 3, 2008 and end August 8, 2008.

We are looking for students in:

Product Development

Manufacturing/Sourcing

Supply Chain Management
