

Helping all people live healthy lives

POSITION TITLE: STRATEGIC SOURCING SUMMER INTERN	SEGMENT: CORPORATE
Position Reports to (Title): Strategic Sourcing Group Manager or Director, Company Procurement	Location: Franklin Lakes, NJ

General Function:

The Strategic Sourcing Summer Internship is a position designed to provide the associate with exposure to several aspects of BD’s strategic sourcing process, which is at the front end of the supply chain. The internship assignments will vary depending upon business needs, but will generally include discrete projects in the areas of:

- Supply market research
- Request for quote and E-auction preparation, execution and analysis
- Negotiation preparation and sourcing strategy development
- Global spend analysis and continuous improvement for Requisition-to-Pay operations
- Participation in department-sponsored strategic sourcing training as scheduled during the intern’s tenure

The internship assignments may be within any of BD’s production / raw material or non-production commodities. Over the course of the internship, the intern will have the opportunity to enhance his or her proficiency in strategic sourcing and related processes and gain exposure to the specific challenges of working in a medical device manufacturing company through specific assignments. If there is mutual interest, the intern will have a chance to explore a potential future career opportunity for BD’s Strategic Sourcing Development Program, a two-year rotational program designed to provide an entry-level associate with the opportunity to further develop a solid portfolio of strategic sourcing skills and the potential to grow into other areas.

The intern will have the opportunity to attend relevant training and meetings within the department that may occur during the internship, and will present his / her overall accomplishments to the Purchasing Leadership Team at the end of the summer. In addition, the intern is a member of the overall BD Summer Intern Program. There are several cross-company functions scheduled throughout the internship time frame. The BD Summer Intern Program concludes with presentations by the interns to BD senior management.

**BD**Helping all people
live healthy lives**Strategic Orientation:**

Assignments are consistent with and support the Company Procurement vision of 100% professionally managed spend.

Sphere of Influence:

The Strategic Sourcing Summer Intern will report to the Business Partner, Learning and Organizational Effectiveness, within BD's corporate sourcing organization, but will work directly with the strategic sourcing managers and / or process associates responsible for the intern's assignments on a one-to-one basis or as a member of a cross functional team.

Required Skills and Knowledge:

- Minimum GPA of 3.0
- Projected graduation date of fall or spring following the term of summer employment
- Undergraduate major in Supply Chain, Procurement Management or equivalent
- Skills and abilities in leadership, teamwork, quantitative analysis, Microsoft Office Suite and a drive for results

Degree of Accountability:

Depending on the assignment, the intern may make recommendations on sourcing strategy and supplier selection.

Financial Impact:

Depending on the assignment, the intern may generate savings and value for the assigned commodities.
